JURASSIC WORLD: FALLEN KINGDOM (12A)

It's been four years since theme park and luxury resort Jurassic World was destroyed by dinosaurs out of containment. Isla Nublar now sits abandoned by humans while the surviving dinosaurs fend for themselves in the jungles. When the island's dormant volcano begins roaring to life, Owen (Chris Pratt) and Claire (Bryce Dallas Howard) mount a campaign to rescue the remaining dinosaurs from this extinction-level event.

ADRIFT (12A)

Starring Shalene Woodley (Fault in Our Stars, Divergent films) and Sam Claflin (Me Before You, The Hunger Games films), ADRIFT is based on the inspiring true story of two free spirits whose chance encounter leads them first to love, and then to the adventure of a lifetime. As the two avid sailors set out on a journey across the ocean, Tami Oldham (Woodley) and Richard Sharp (Claflin) couldn't anticipate they would be sailing directly into one of the most catastrophic hurricanes in recorded history. In the aftermath of the storm, Tami awakens to find Richard badly injured and their boat in ruins. With no hope for rescue, Tami must find the strength and determination to save herself and the only man she has ever loved.

SICARIO 2: SOLDADO (15)

In Sicario: Day of the Soldado, the drug war on the US - Mexico border has escalated as the cartels have begun trafficking terrorists across the US border. To fight the war, federal agent Matt Graver (Josh Brolin) reteams with the mercurial Alejandro (Benicio Del Toro).

THE BOOKSHOP (PG)

Based on Penelope Fitzgerald's novel of the same name; 'The Bookshop' is set in 1959. Florence Green (Emily Mortimer), a free spirited widow, puts grief behind her and risks everything to open up a bookshop - the first such shop in the sleepy seaside town of Hardborough, England. Fighting damp, cold and considerable local apathy she struggles to establish herself but soon her fortunes change for the better. By exposing the narrow minded local townfolk to the best literature of the day including Nabokov's scandalizing 'Invitation of a Lady' and Ray Bradbury's 'Fahrenheit 451', she opens their eyes thereby causing a cultural awakening in a town which has not changed for centuries. Her activities bring her a kindred spirit and ally in the figure of Mr Brundish (Bill Nighy) who is himself sick of the town's stale atmosphere. But this mini social revolution soon brings her fierce enemies: she invites the hostility of the town's less prosperous shopkeepers and also crosses Mrs. Gamart (Patricia Clarkson...

INCREDIBLES 2 (PG)

In 'Incredibles 2,' Helen (voice of Holly Hunter) is called on to lead a campaign to bring Supers back, while Bob (voice of Craig T. Nelson) navigates the day-to-day heroics of "normal" life at home with Violet (voice of Sarah Vowell), Dash (voice of Huck Milner) and baby Jack-Jack—who superpowers are about to be discovered. Their mission is derailed, however, when a new villain emerges with a brilliant and dangerous plot that threatens everything. But the Parrs don't shy away from a challenge, especially with Frozone (voice of Samuel L. Jackson) by their side. That's what makes this family so Incredible.

SKYSCRAPER (12A)

On assignment in China he finds the tallest, safest building in the world suddenly abuzz, and he's been framed for it. A wanted man on the run, Will must find those responsible, clear his name and somehow rescue his family who is trapped inside the building...above the fire line.

THE MORE YOU IGNORE ME (15)

A heart-warming universal comedy that focuses on the life of an unusual family in rural England; it addresses mental health issues and their impact on the family - in a very real, sometimes stark, but also funny and affirming way. Written by Jo Brand, using all the insight gained during her years as a psychiatric health worker, it pulls no punches addressing the issues and the sometimes-comic absurdities that can surround mental health as well as the collateral damage suffered by loved ones. But the film will strongly assert that there can be happiness in day-to-day life and positive outcomes.

MAMMA MIA! HERE WE GO AGAIN (PG)

Ten years after Mamma Mia! The Movie grossed more than \$600 million around the world, you are invited to return to the magical Greek island of Kalokairi in an all-new original musical based on the songs of ABBA. With the film's original cast returning and new additions including Lily James (Cinderella, Baby Driver), the musical comedy will open in Summer 2018.

FIRST REFORMED (15)

Reverend Ernst Toller (Ethan Hawke) is a solitary parish priest at a small church in upstate New York, which is on the cusp of celebrating its 250th anniversary. Now more of a tourist attraction catering to a dwindling congregation, it has long been eclipsed by its nearby parent church, Abundant Life, with its state-of-the-art facilities. When a pregnant parishioner (Amanda Seyfried) asks Reverend Toller to counsel her husband, a radical environmentalist, Toller is plunged into his own tormented past and finds himself questioning his own future and where redemption might lie. With the pressure on him beginning to grow, he must do everything he can to stop events spiralling out of control.
